

Conditions and Regulations for Entry

Please ensure that this information is distributed to all the teachers running Cambridge examination courses.

In the case of an examination not being available in your area due to lack of adequate interest, schools have the possibility of sending candidates to other neighbouring locations. Please contact this office if you require any assistance regarding the Cambridge ESOL examinations.

1. Exam Dates

- For examination dates and closing dates for entries, please consult the relevant Examination Calendar for the session. Candidates should only enter if they are free to attend their exams on all dates given for their level. There is no possibility to choose a date or time.

2. Speaking Test

- The dates are clearly shown on the Examinations Calendar. Candidates are expected to attend the Speaking Test at any time on the given dates. There is **NO** possibility to choose a date, time or partner as these are all assigned by the centre.
- A change of date or time of individual Speaking Test is not possible after these have been allocated. However in very special circumstances (work commitments etc.) a change may be authorised only with the approval of the Centre Exams Manager. An administrative fee of **CHF 150.00** will be levied for any changes made.
- In the case of absenteeism on the day of the exam, candidates may be given their test in a group of three rather than the normal pair format.

3. Online Entry

- **Block Entry System:** To be used where schools/teachers are making entry arrangements on behalf of their student(s). Use one entry per exam level. After completion of online entry process, print off a copy of the registered display data to send together with proof of payment to the Bern office. All exams related correspondence is sent to the **one** designated contact person at the school. These are to be used where Preparation Centres/teachers are making entry arrangements on behalf of their student(s). You must use one entry form per level.

Preparation Centres entering candidates using the Block Entry option on-line must ensure that:

- they have received permission from their candidates to act on their behalf.
 - in case of minors the necessary permission from a parent or guardian has been obtained.
- **Individual Entry System:** To be used by candidates entering privately. After completion of the online entry process, print off a copy of the "Thank you for registering" page, containing the reference code, to send together with proof of payment to the Bern office.
 - **IMPORTANT:** Entry registration is only valid when the printed off registered entry details and proof of payment are received together in the Bern office by the closing date.

Refunds are not given for any other reason. Entries cannot be transferred from one examination to a later one, to a different level of examination or to another person.

8. Results

In addition all candidates will receive a personal code to retrieve their results. See our website's Examination page for the exact dates that they are released.

9. Certificates

- Certificates are issued through the Centre by registered post. If a certificate is returned to the Centre due to not being picked up by the candidate, it remains in the Centre until the candidate contacts the Centre and pays small administration fee whereupon the certificate is posted again.
